

Tango Cabaret Group is the creation of Marcelo Arnal, pianist and score, and Horacio Ladrón de Guevara, voice and lyrics. They have been working together for over 20 years in Argentina, Spain, France, Uruguay and Chile. Each and every work they have produced together, 'El Cortázar Tango Club', 'Tangos y Genios', 'Los Tangos de Afrodita' and 'Tangos, Rock y Blues para Omar Khayyam' shares the same values: tango, poetry, image, humour and satire.
